Bearish Movement Starts, But Operators Are Forced to Cover. Sending Up Prices.

YORK, Jan. 15 .- The stock market today appeared to be "tired," and shortly after the opening traders began to sell, thus producing a recession. Finding, however, that the stocks well taken, the bearish operators forced to cover to a certiin exwith the result that some recovwas made from the low marks of

There were a number of specialty ints, but those issues in which the advances occurred were not sufficiently influential as market leaders to strengthen' the general list.

Among the specialties, Goodrich advanced 1% to 30% on news of the company's earnings for the year. American Linseed stock, as a result of the strength of the linseed oil market, advanced 14 to 1014, while Studebaker established a new high record by selling up to 41%, a gain of 1% points over yes-terday's close. One sale of Delaware, Lackawana and Western was recorded at 415, an advance of 13 points over the last previous sale, and the highest mark that the stock has made since Septem-ber, 1913.

Asks Complete Divorce Of Railways and Trade

Assistant Attorney General George C. rodd appeared before the House Comnittee on Interstate and Foreign Commerce today in support of the bill of

business of transportation and produc-

Mr. Todd told the committee that the commodities clause of the interstate commerce act, under court constructions, has not been successful in completely divorcing railroads from mines and manufacturing establishments. A railroad may mine coal, then sell it at the Department of Justice to bring about a complete divorce between the Todd explained in illustration.
